

Presents a half-day Workshop on

Know and Master the Mind To Enhance your Potential

Mind-Mastery/Self-Awareness/EQ&SQ

Half-Day Workshop Cost: £50.00

Venue : TBA

Email: chingoh@hypnotismpower.com

Power of Hypnotism

A talk and demonstration will be presented on the mechanics of the mind, understanding it, promoting self-help through motivated self-directed change and empowerment using the auto-suggestive sciences. An insight into how the mind works. Know about the Power of Suggestion and learn how to maximize your strengths to achieve full potential.

This session serves to reveal and instill awareness of the Power of the Mind for self-development. It is about understanding the Auto-Suggestive Sciences, retraining the mind to self-heal and for the enhancement of human potential, offering self-help tools.

Chooi-Chin Goh, BA (Hons), MSc. Cert. Hypnotherapist.

Human Potential Coach, Mind Mastery Corporate Trainer, International Speaker.

A developer of executive mindsets and builder of business operations, with a MarCom background in Advertising/Video/Digital Media/PR, Chooi-Chin is a motivated self-starter with visionary/futurist ideas, creative and entrepreneurial. She has set up several private limited companies successfully amongst which are video production/multimedia firms, started the first hypnotism company in Malaysia.

She is currently researching a few projects that involve searching for and investigating Spiritual Intelligence, holistic healing, sustainable living and free energy technologies, exploring, developing and implementing visionary ideas through her Innersense Innovations.com organization. She set up Innersense Innovations in March 2012.

She pioneered and taught the art of self-hypnotism and hypnotherapy in Malaysia and gave talks and live demonstrations to international audiences. Currently being consulted by corporations as a Mind-Mastery Corporate Trainer / Human Potential Coach, she had taught in countries from Malaysia to the UK, US, Singapore, Thailand, Indonesia, Vietnam, Kenya and Sri Lanka.

She is a well established VISTAGE Asia Resource Speaker. Her eye-opening demonstration proves beyond doubt the Power of the Mind! A must see!

As a consciousness activist, she was the Founder of the Malaysian United Religions Initiative Kuala Lumpur (URIKLCC), Vice-Chairman of the Interfaith Spiritual Fellowship (INSaF), Vice-President of The British Graduates Association, Malaysia (BGAM), Hypnotherapy Chapter Leader for the Malaysian Society for Complementary Therapies (MSCT) and International Chapter Representative for Malaysia & Wales, National Guild of Hypnotists, USA.

OUTCOMES

By the end of the session, participants will:

Have a better understanding of the mechanics of the mind to develop their ability to:

- *Be aware of auto-suggesting highly desirable personality traits directly into their brain cells, and magnetizing success in their lives by choosing the right thoughts.*
- *Apply the knowledge that these thoughts are "commands" that are programmed to improve their inner thought processes so as to re-engineer their entire outlook on life*
- *Dissolve stress, melt away tension and know that they can train their mind to increase their tolerance for stress, so they can work with a clear mind to solve problems... FAST!*
- *Banish negative behavior patterns, as these are silently decaying their life.*
- *Learn to re-program their brain to automatically improve performance in business, social circles, and life itself.*

ANNOUNCEMENT:

This beginner's workshop is a prelude to an intensive 2-day Self-Hypnosis Certification Course that teaches participants to sustain motivation by systematically programming the sub-conscious mind, utilizing the great powers of suggestion and imagery to achieve individual goals and empower oneself by eliminating:-

Bad Habits such as Smoking, alcoholism, obesity, phobias and allergies negative attitudes, drug abuse and Stress Related Problems like Insomnia, depression, anxiety, anger tantrums, tension headaches, bereavement, thus achieving greater confidence to perform better at both work and play.
